We explained the main responsibilities and when these will be carried out:</p> <ol style="list-style-type: none"> <li>1 - Picking up litter on the field after playtimes and lunchtimes.</li> <li>2 - Ensure recycling is done correctly.</li> <li>3 - Turning lights out.</li> </ol> <p>Eco Reps to be presented with their badges in tomorrow's celebration assembly. Anya and Tomos to explain role of Eco Reps.</p> <p>Recycling bin competition: All classes to redesign their class recycling bin so that it stands out from the general rubbish bin. Cleaners/Caretaker to select a winner!</p>
<p><b>Actions</b> (what we need to do next)</p>	<p>Eco Reps to tell class about recycling bin competition. Bins to be judged on Thursday 16<sup>th</sup> May.</p> <p>School Council to write to GRIST (the recycling company) and the cleaners to inform them of the steps we are taking in school to recycle more efficiently.</p>
<p><b>A.O.B - Any Other Business</b> (anything else)</p>	<p>Healthy Snacks Pineapple award tally system is working well when School Council Reps complete the tally rather than the individuals. Most classes seeing an improvement in numbers of healthy snacks.</p>
