## Newsletter No 18

### Dear Parents/Guardians

#### At the End of the Day...

As a fair proportion of the playground will soon be taken up with building work, we have been looking at different ways of releasing the children back to your care at the end of each school day. From Monday we are going to trial the following new arrangement:

We ask you to remain towards the Adventure Play area, to allow the children to have sufficient room in which to wait in an organised manner.

Most of the School will line up in classes between where the building work is, or will be, and the parents. The children will be facing the present Adventure Playground.

**Birch, Juniper, Aspen & Oak** – line up in the half of the playground nearest the Hall – there will be a label with the class name at the front of the line.

**Beech, Willow, Cherry & Cedar** – line up in the half of the playground furthest from the Hall – there will be a label with the class name at the front of the line.

**Sycamore and Ash** – we will release the children to go through the class fire doors. Independent walkers from Ash will be at the front of the queue for fast deployment.

**Rowan & Larch** – walk through to the Foyer for collection. The independent walkers of Rowan will be at the front of the queue for fast deployment.

#### After School Club Collection

From Monday, pick up from After School Club should be done from the door between the Hall and the Music Lodge. Here you will find a remote door bell. If you are collecting from After School Club, please ring the bell once (it has a really annoying tone) and then step towards the corner of the Music Lodge so that the ladies can see you through the window. They will come and let you in, so that you can sign for and collect your child/ren.

#### Snow

Many thanks to all those members of staff who really went above and beyond to make sure that the School could stay open, and the children had a safe and enjoyable, yet productive day.

**Uniform** – We have noticed that some children have started to wear trainers and non-school-uniform items of clothing to School. The point of uniform is that it is uniform – it shows you belong to a community, and it takes away the possibility of competition that sometimes creeps in. Please remember, school shoes should be black all over, skirts, shorts or trousers should be dark grey or black (and not track-suit trousers) and only School Jumpers should be worn. Good quality second hand uniform is available on the purple bus for 50p an item (see below). If you cannot get in to the second hand uniform sale, let us know and we will help match child size to clothes size.

Please ensure that children wear ties at School – if they cannot tie them themselves, you can let us know, and we will help – or you can go on to YouTube for a demonstration.

**Green Cards** – Well done to Willow Class who received the most green cards this week for their good deeds, outstanding behaviour and achievements. We hope you enjoy your non-uniform day on Friday 8<sup>th</sup> February.

**HSA Diary Dates** – Please note new dates in the diary for HSA events – highlighted in green.

**Attachments** – Building works schedule for next week.

We wish you a very pleasant weekend.
